Supplemental Type Certificate

Number ST03183AT

This certificate issued to:

The Goodyear Tire and Rubber Company
100 Business Center Drive
Stockbridge, GA 30281

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product--Type Certificate Number: A46NM; A43NM

Make: Airbus Industries

Model: A330; A340

Description of Type Design Change: Installs Goodyear Radial Tire size 1050x395R16, P/N 109Q89-1 on Airbus A330 and A340 Nose Landing Gear.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: April 25, 2005

Date reissued:

Date of issuance: October 26, 2005

Date amended:

By direction of the Administrator
